No.12, Anand Chatterjee Lane, Calcutta.

Dear Editor,

I came to know from <sup>to-</sup>day's late morning edition  
of Anarit Bazar Patrika that Babu Sarat Chandra is moving heaven  
heaven & earth to bring Mr. Anand Mohan Sahay to India. I  
come from Japan. I was appointed as Secretary of the I.I.L.  
there by our revered Netaji and I was <sup>a</sup>staff member of the  
P.G. Free India Broad Casting Station. I was sent by the  
British Embassy back to India on April 24th 1946. I heard  
from Col. Figgiso at the British Embassy at Tokyo that  
Mr. Sahay was detained at Changi prison at Singapore. I was  
not allowed to get down at Singapore and meet Mr. Sahay whom  
I know personally. But I managed to get ashore through some  
assistance offered by certain Singapore merchants. To my  
jubilation Mr. Sahay had been released the same day 7th May  
1946. I saw him. His daughter & brother are with him. He  
told me that he has made arrangements to come to India  
within a week or two. He is in sound health. By the way  
dear Editor I would like to bring to your attention my case  
and I hope you would consider it disinterestedly. I went  
from India (Madras) to Japan in Aug 1941 as Post Graduate  
student in Fishenis at Tokyo Imperial University. I was  
not allowed to proceed from Singapore to Japan by the  
Colonial Secretary there. Neither he allowed me to proceed  
to Tokyo nor he send me back to India. I was caught in a War  
of terrible dimensions? My house was bombed out. Just  
after the surrender of Singapore I joined with the Indian  
Indep. League. I was selected by the league's Managing  
Committee to be attached to the Hqrs at Bangkok. Fortunately  
they (authorities at Hqrs) appreciated my talents and send  
me to Tokio as staff member of the League's Broad Casting

(P.I.O.)

Casting Station. I was the first Indian representative thus to be sent to Japan. I didn't waste time. I mastered the otherwise redon'table & cumbersome Japanese language and on Oct 1943 entered the Tokio Imperial University's Fisheries faculty as a Post Graduate student. From Oct 1942 I was broadcasting to India every other day. Netaji came to Tokio on 6th June 1943. During an assembly of Indians at Tokio Netaji selected me as Secretary of the I.I.L., Tokyo, which action was unanimously approved by all present. I used to get letters from Netaji admonishing me for I wrote to him several times to permit me to ~~join~~ join the I.N.A. Netaji's desire was to keep my personnel at the rear and more over he wanted me to finish my course at the Imperial University. Unfortunately our movement had to be closed owing to the surrender of Japan. My house was bombed out twice at Tokyo. I lost all my personal goods. After the surrender I was interrogated by the U.S.A. Counter Intelligence Corps and set free. In fact the Americans were kind to me. As I had a good sacrifice backing one Col. in the American army requested my services for the medical department of the U.S. 8th Army at Tokyo. I joined on October 1945 and on November 1945 I was appointed by Col. Lane as Director of Civilians affairs Department with a salary of Rs 900 (\$ 260). I was continuing the work very smoothly. One day the authority got a note from the Allied Military Police to remove me from my position as I was working for Mr. Bose during the War. This was prompted by the British Embassy at Tokyo. They spared all other Indians who were working as Clerks or Interpreters. I had to report to the Embassy and the Colonel there advised me to proceed to India by S S Royala leaving BCOF naval base KURE on 24th April 1946. I agreed to be sent back. During voyage I was interrogated twice. I was candid *frank*. In fact the O.C. troop, admired me very much. I came to Calcutta on 14 May. I am now put up at the Refugee centre at 6 Acre Road, Park Circus. Govt. of Bengal sent some intelligence Officers after me and when I smelled them as C.I.Ds, I told them everything about me. Govt of Bengal is sending me back to

CM 579/42 a(6) - one Partha Sarathi Mitra <sup>present</sup> (20) M.O.L.  
Nirode Mitra of 179 B, Upper Chitpur Rd, Cal.  
Student of class X of Chamberaz A.V. school  
(1942) was an addressee of a letter (intercepted)  
of Aug. 1942, from one Lelyabanta Mukherjee  
of Alahi. The writer stressed the need for  
continuing the movement till the leaders were  
released. The writer was pained by the death  
of Mahadev Desai. The movement was being  
maintained at Alahi. He further stated that  
the situation in Cal. was being grave  
if that Cal. Alahi would be a 2nd  
Calcutta soon. He believed that  
they would attain freedom if  
the movement were serious.  
He stated to this addressee that all of  
them should come to Cal. as  
his this claim was safe.

Back to Madras as a refugee thro E.I. & M.S.M. Railway. I am at a loss to know what I should do after I reach home. I was told by Mr. Sahay that some INA relief Comatt. people would come to receive me at Calcutta but nobody came. (51)

My liking is Fisheries. I do not know whether there are any openings in that line. I was at the Tokyo Imperial University for 3 years, last one year at the Research dept. In case I do not get some competent post in that line I would like to write about what I know about Japan during and after War and about East Asia. I want to contribute my articles to some newspapers. Could I get a favourable consideration and push if I attempt? My people are not rich. All three brothers of mine went to College procuring Govt. scholarships. After seeing foreign countries I could not live at the low wages Indian youths are offered as clerks or typists in India. If you think that I have did some sacrifice for India's cause please consider my case & assist me.

Yours cordially,

Ref: Your memo No. PM/868/46 IV, dated 16.5.46,  
forwarding a copy of para 172 of your Daily Notes,  
dated 15.5.46.

On 14.5.46 about 500 persons, including some ladies and youngsters, received Major General A.C. Chatarji of I.N.A. at Siliguri railway station on his way to Darjeeling. The gathering carried several Congress flags and a band party was in attendance. After an address of welcome to Chatarji by Dr. Brajendra Kumar Basu Ray Chaudhuri on behalf of the local Congress and public he (Chatarji) gave a short speech in which he urged for unity, strength, firm faith and sacrifice in the cause of independence. He also requested the audience to work peacefully and not to create trouble such as in 1942. In reply to a question he said that Subhas Chandra Basu is dead as far as he knows, though he has no first hand knowledge on the point.

Major General A.C. Chatarji of I.N.A. arrived at Darjeeling the same afternoon (14.5.46). On 18.5.46 he was given a public reception at Chawk bazar, Darjeeling town, and left for Delhi the same afternoon. He came here ostensibly to recoup his health.

Memo. No. 11777 dated 22.5.46 from S.S. I.R. 179-35 For D.I.G., C.I.D., Burma.

On 9.5.46 an officer of this Department, whilst on some enquiry at the I.N.A. office in Calcutta, noticed an individual being escorted by three Burma Police officers into the I.N.A. Office. As a result of enquiries the individual was found to be Sushil Kumar Das Khastagir, the subject of this Office Memo No. 10189 dated 30.4.46. I presume the individual was taken to the I.N.A. office at his own request.

I would suggest that in future persons of this province escorted to India by the Burma Police be made over to this Office for onward despatch to their home districts.

Extract from the Secret Malayan Security Service  
Political Intelligence Journal dated Singapore 15th May, 1946.

.....

Indian affairs, like the Indonesian, have been dominated by the tendency of leaders to wish to return home. This welcome tendency is now extending to S.C. Goho, who leaves by air on May 15th. Wazir Mohd. Khan, an I.N.A. leader, who left by s.s. "Cheshire" on May 11th and Suppah, a G.D.U. adherent on the Committee of the Government and Municipal Union, who also left on May 11th. The well-known N. Raghavan, A.M. Sahay from Japan, and C.D. Nair of the Democratic League of Indians are expected to leave shortly. A movement, which has taken some time to crystallise, called the Indian Nationalist Muslim Majlis has at last made formal appearance, led by V.P. Abdul of the Kerala Bandhu, with an inaugural meeting on May 5th. It owes its origin to S.C. Bose influence during the occupation on Muslims, mostly Malayalees, and it is pro-Congress and anti-Pakistan. It claims to be aiming at cultural and political advancement of Indian Muslim in Malaya. Its following and reception are not yet known. This development may be the outcome of the Hindu-Muslim tension reported in Issue No. 1 or perhaps a response to the Muslim campaign, suspected Government-sponsored, which was conducted by P. V. B. Biraj Munir (see Issue I, page 3) who became anti-Army on return from local leave and has not been repatriated.

Copy of a letter written in English dated 16th May, 1946, intercepted at Elgin Road P.O. on 20.5.46, bearing the postal seal of issue illegible.

From: D.K. Chowdhury, C/o. Sj. Durganath Chakravarty,  
Ripura Modern Bank, 57 Clive Street, Calcutta.

To :- Sj. Amiya Nath Bose, No. 1, Woodburn Park, Calcutta.

Jai Hind,

Though it is unbecoming on the part of an ordinary soldier to take initiative, yet there are certain stages in freedom-struggle when the most humble one should act in the capacity of a commander. This principle was enunciated by Netaji in 1944, just after the betrayal of Major Prabhu Dayal in Imphal and Major Dey in Arakan sector. Hence this letter to you.

Despite all your efforts to help the released I.N.A. personnels, there is a chasm in the system, which if left as it is, will widen the gulf between the masses and the leadership. In view of the present situation, failure to canalise the enthusiasm of the radical elements of the country amounts to disinterested suicide. During the latter part of 1943, the brave boys who at the bidding of Netaji, rushed into the jaw of death by infiltration into India, are left in the lurch. They are scattered helter - skelter without being organised into a militant body of grenadiers.

These brave boys are far superior to those flunkies and stooges who have, to-day, caught the imagination of the teeming millions of the land by their mock-heroics. It was on the 24th February 1945, that "we" were given the last instruction by Netaji to re-organise our group inside India.

Except Major-General Shah Nawaz and his other companions, even a sweeper of the Azad Hind Fauj, who have been metamorphosed because of the unstinted support of the nation to I.N.A. affair. But, while there was no ray of hope in the horizon, it was those three heroes viz. Maj-Gen Shah Nawaz and his two companions who stood equal to the occasion and risked their lives.

19  
risk of their lives.

(P.T.O.)

So, what I humbly request you, is to visualise the emergency and to organise the fighting elements instead of having allowed these virile qualities of the country to be diffused in the wilderness without being utilised by the stalwarts of the land. Please allow us to organise ourselves inside India according to the advice of Netaji and so your assistance is solicited.

Yours in national service.

Prasanna Kumar Datta  
of Ramesh, P.S. Singaperumal

A note on this may be  
seen at pages 82 & 77 in  
the I.A. file.

It appears that he worked  
in different European firms  
in Calcutta from 1922 to 1925  
and in Bangalore from 1925 to 1937.

In 1937 he was recommended as  
The I.A. and as a field cashier  
and later on reported to Singapore.

In Sept. 42 he joined the I.N.A.  
and was posted to the S.S. Group  
as an Adjutant. After the  
Mohan Singh crisis he joined  
the new I.N.A. and was sent to  
Rangoon. He came in touch  
with Subhas Ch. Bose and  
accompanied the latter on a  
tour (p. 78). He was appointed  
as Area Commander, Rangoon  
with orders to arrange accommodation  
for evacuated personnel & to  
despatch fit men further south.  
For mis managing Capt. Boodu  
affair Bose removed him from  
his office.

He has been labelled Black.  
There is nothing against him  
in S.P.

May have no objection  
to his settling in Calcutta  
now that all important  
ex-I.N.A. personnel have been  
allowed their abode.

BENEGAL RAMESH RAO - Age 19 (1945) s/o B.SAKARAM RAO  
Maharatta Brahman - Mangalore.

Address in India - Swami Ramdos Ashram, Kanhangod, Ramanagar,  
Mangalore.

Address out of India - T.S.Rao, M.B. K.Stationery articles firm,  
Rangoon.

HISTORY - He was born in Rangoon where his father who migrated there long ago from Mangalore was doing some business in M.B.K. firm. He has two elder brothers, one B.D.Rao and 2, B.Sumitra Rao. B.D.Rao was working in the Secretariat P.W.D. and when the war started he returned to India whose present address he does not know. His other brother B.Sumitra Rao graduated in the Rangoon University and joined the I.N.A officers training school in Rangoon in 1944. He has a relation of his one Kilpadi Amrutha Rao, a clerk in the Post and Telegraph office at Madras. His uncle T.S.Rao, a business man at Mergui in Burma wound up his business after the fall of Rangoon and joined the I.I.L. Headquarters. On the eve of Japanese occupation he tried to cross over to India by ship along with his mother, but he could not get a passage. His mother alone came away to India and he now expects her to be at Swamiramdos Ashram in Kanhangod. After the Japanese occupation, I.I.L. was opened at Rangoon and his brother B.Sumitra Rao became the stenographer to Netaji. His uncle T.S.Rao became the Manager of the Azad Hind Bank at Rangoon. He studied upto 9th standard in St. Paul's English High School at Rangoon. He joined the propaganda camp of the I.I.L. and was receiving money from the I.I.L. Netaji assisted by the Secretary Major Jehangir, selected him and three others A.R.Dutta, G.Gandhidoss and B.K.Dev for Tokyo Cadet's School from the I.I.L. Rangoon. From Rangoon they came to Manila having been joined by six more students from Malaya and from Manila they went to Tokyo by plane. They were put up in the preparatory school for about three months from October 23rd, 1944 and were given training in Japanese language and mathematics for about 8 months until surrendered by the Japanese 10 students of whom he is one were trained in the aviation school. All were given training in theory about planes and the working of engines. They were taught balancing in air and also given glider training. In November 1944 when Netaji arrived at Haneda Air port, Tokyo, he was garlanded by the Indian student cadets who were invited for a lunch along with other Indians in Tokyo by Netaji at his bungalow. Netaji is said to have advised them to train themselves well for being true Indians so as to achieve freedom for India.

Regarding the other particulars in respect of their return journey he corroborated R.Mayappan of Ramnad District. He added that it was only due to the inventions of Atomic energy by the Allies, Japan had to surrender and that the Americans who occupied Tokyo were astonished to find 15 thousand suicide planes ready in stock at Tokyo. He believes in the death of Netaji in the plane crash.

Remarks:- Highly spirited. May be classified Dark Grey.

The address 3/2 Kali Charan Sett Lane which was visited by the man in military Uniform, is within Cossipur P.S. Calcutta. Perhaps the S.B. may be able to trace the man through secret enquiries and by placing watch at this place.

31, Rash Behari Avenue - No movement.

On 2-3-46 A.S.I. Karen ChaKribodh of I.B. while on duty at Dum Dum noticed that a youth in military uniform got down at Dum Dum at about 12.00 hours from an up local train. He was received by about a dozen of school boys amidst shouts of 'Jai Hind' 'Netaji-Ki-Jai' etc. They proceeded to 3/2 Kelli Charan Sett Lane, Dum Dum where they waited for about 45 minutes. The man in military uniform left for Bully by Dankuni local. The A.S.I. could recognise this man as <sup>one</sup> of the I.N.A. cadets who arrived at Howrah by the last week of January, 1946.

On 3-3-46 about 45 released I.N.A. personnel were brought to Dum Dum in a military truck at about 13-3-hours under military escort. They were in Khaki uniform, some had tricoloured badges and some had I.N.A. badges written in ink. They boarded 14 Down E.I.Ry Delhi Express. There was no demonstration.

Copy kept and given below.

Dear Mr. P. K. Sahgal,

Jai Hind. I have kept you so far in darkness about my activities but you should not think that I have not been trying to live up to my reputation and prestige. By the way, my short tour in Bengal and Bihar, I have come to know that there is much to be done in propagating the principles of Hindutva in this part of the country. I realize that I should make my headquarters at Calcutta, and control my sub-headquarters in different places, according to the lay out of my programme for this purpose. I should like you to write to the President of Bihar and the President Provincial Congress Bengal and Calcutta by the way of introducing my services in I.R.A. in Germany, Holland, France and Italy so that I may be able to see them in time of need. For this purpose I feel that I should require an authority better from you to use them in connection with my programme. If you consider it advisable you may kindly advise whether I could approach the Congress Newspapers for the publicity of my views. A little experience which I gained in my short tour in Bihar and Bengal, gives me an idea that the solution of the serious problem facing the country at the present time can only be found in making Hindu and Muslim I.R.A. minded. If the people in the country will learn to love their mother country in the same way as a soldier loves his mother without considering who he is. I think the goal of freedom without any division can be achieved in no time. For the time being I have decided to stay with my brother at 27/A Convent Road, Calcutta, and will always take up my programme from there.

I think that you will expedite in issuing letter to persons named as requested by me.

I shall start my work after I have heard from you.

With regards,

Yours sincerely,  
Sd/- Rafiq Khan.
